STATE CHAMPS #1

The Class of 1985 dedicates this annual to our Families and our Friends

Take kindly the counsel of the years,
gracefully surrendering the things
of youth. Nurture strength of spirit
to shield you in sudden misfortune.
But do not distress yourself
with imaginings. Many fears
are born of fatigue and loneliness.
Beyond a wholesome discipline,
be gentle with yourself.

Any junior who has the stomach to weed through all the trash, can have my locker. Last of all, I want to thank the teachers for putting up with me for four long years, and my parents for the unlimited amounts of love and understanding. Goodbye, EV, it's been a wild time!

Lauri Mott

I, LAURI MOTT, (alias Gumby), being of squirrely mind and battered body, will next year's volleyball and track teams both undefeated seasons and victories at State! To Kim Baumann I will a pair of bionic legs so you won't have to use your lungs as much while running! To Marty Beagley I leave a book of my artwork and a year full of Stuco conventions and to Stacie I leave a book of all our rag'in times together and a body that doesn't hold calories. Mundo, you get a PERSONALIZED series of my "GUMBY ROCKS" albums, but be sure to share with Mike. To my little (almost bigger) brother, Davey, the television--with satellite--to watch football all day every day without my interruptions. A huge thank you and I Love You to my parents for all the opportunities and support you've given me. And to Nathan, well, you're all I would have asked for to share my senior year with. You're a great, great person! (White convertable, Porsche, DON'T FORGET!)

I, JAMES MUNDO, being of strained mind and chemically abused body, do hereby bequeath all of my worldly and not-so-worldly possessions to the following people: To Pete and Jim Bamrick, Brian Healy, Randy "Carlos" Phalin and Tim Trajkovski I leave my stereo and my entire album collection. To David Mires I leave my car, under the conditions that he stay away from the Crossroads. To Chris Jarnot I leave my Book of Polish jokes and to Tricia Jackson I leave one final "Question?" I want to thank my parents for believing in me and for supporting all my decisions, whether they wanted to or not.

I, MATT QUALLS, being of corrupt mind and short-legged body, will the following: To Pete D. I will the ability to keep the vehicles between the bar ditches and away from the tail ends of other vehicles. To Lenny and Steve, the ones who made this last year a lot easier to get through, I will the ability to live it up right and still stay out of trouble. To Marty Jordan I leave my ability as a State wrestler and to Les Ware I leave a permanent case of lock jaw, for this might help to save the sanity of the earth. To Dave Dillon I leave the ability to have things a little more often and to the coaches go my sweaty socks, shorts, etc.--They all go to you!! And to most of the teachers I will the ability to have a class like this year's seniors. At last I will my cruddy locker to an underclassmen.

To Little Z I leave the great time we had in Mexico and all through my high school years--thanks for being there. To Liz I leave a wonderful life with Rick and all the fun we've had through school. To a very good friend I wish you and Danny the best of luck in everything you do. To Tom I leave a box of Chicken McNuggets, flat tires, and dead batteries, but most of all my love. Last of all, to my mom and dad I will my love and a special thanks for the trip to Mexico!

I, RICHARD RODRIGUEZ, better known as "Hadji" throughout civilization, do hereby will the following: To my brother Mokey an AC/DC concert; to Smooth all the great times we had and Rude gets more wild trips to Craig. To Chris and Harris I leave more fun trips to basketball camp and State basketball. To Tiffany Gregg, the one girl who made my senior year great, I leave the knowledge that I will always remember you. I will a State Championship to both the football and basketball teams next year and to Mr. Hollandsworth I leave a house that might last three years. Most of all, I wish to thank my parents for all their love and support.

I, LENNY ROUNDTREE, being of corrupt mind and superior body, hereby will the following: To Steve Green and Matt Qualls I leave a case of "bullets" and a pair of golden gloves. I will "Smooth" the ability to do something with his life besides being with Lanie. I will Mike M. the ability to get fat and to Marty Jordan I will my football skills. I leave my wrestling skills to John Freeland and my weight lifting ability to Joe Kochera. To Mr. Hollandsworth I leave the ability to rent a porta-potty and Mr. Nolan gets my beautiful hair. Father Paul gets the ability to better handle students like me and I will the EVHS boys the ability to join Aerobics. My sweaty athletic clothes go back to a tidy person. I will my love and good times to Mattie Freeland.

David Rudenos

I, DAVID RUDE, being of so-so mind and awesome legs, will the following: To my best friend since 2nd grade, Nate, I leave all the great memories of going out with girls at the same time and all my athletic abilities (Lord knows he will need them in College.) To Jodi, Sara, Brandi, Margo and Kea--thanks for all the great times we had together. I'll miss you all! To Gumby I leave a mom that won't yell at me! To Smoothest and Hadji, more trips to Craig. To Mokey, Travis, John, Chris and Kurt, more prayers to Emoo. To my Geometry class I leave all the times we had Mr. McCollum off the subject and to my little bro I leave all the luck in the world to get through EVHS. To my big Bro I leave a new Saab. And finally to my parents, for all the love and encouragement they gave me, THANKS!!

Mark Shields

I, MARK SHIELDS, being of little mind but outstanding thighs, do hereby will my speed to Chris Fedrizzi so that he can outrun somebody that last 5 yards; to Cindy and Debby Deane I leave all my driving ability and to LaVina Betts I leave enough money to buy two boxes of Candy. To Cindy Deane I leave a pen and pencil for every day of the year, since she can't keep track of her own, and to Mr. McCollum I leave my famous math ability. To Mr. Scott I leave my ability to stand Freshman P.E. and to John Harris I will my spastic basketball ability. My ability not to stick my foot in my mouth goes to Tish and I wish to give thanks to my parents, who were so understanding and loving throughout my life. God Bless.

Holly Tackett

I, HOLLY ALAYNE TACKETT, being of sound mind (well, almost sound mind), leave some of my gifts and abilities to these fortunate and not-so-fortunate people. To Wayne Baker I leave the corner seat in the Ag room; to Cherri Baker I leave the complete supervision of her brother, Wayne, next year at Homecoming, and to Matti Freeland I leave my southern drawl. To my parents I leave a great big thanks for all that you've done. Thanks Momma and Papa Smurf! And last, but not least, To Eagle Valley Students I leave a new word--Ya'll!!

Terry Thompson

I, TERRY THOMPSON, hereby give my locker to any upcoming senior who can appreciate it and who can distinguish between decent and not-so-decent pictures in it. I also leave my books to any other person who thinks they can cope with them. I leave to my favorite teacher, Mr. McCollum, all my ability with mathematics and all the tables that I may have had trouble with. I leave Mr. Steinfort all my speech and English problems. Anything else that I have left goes to anyone who wants it. This is the end of Terry Thompson's Senior will!

This kid, CRAIG VEIGA, doesn't do this very often, but I guess this has to be done so I will try to make it short and sweet. First of all, I would like to tell the freshmen to start gaining a little weight-start lifting more weights so I leave my strength in bench press and deeds to them. Those little tinker bells need to learn a little more discipline than what they already have, so I'll also leave them mine. I think I will leave my car to anyone who wants a piece of @@???!! I will actually GIVE it to some twinky of a freshman. I shall give my books (government, Advanced English, etc.) to one certain good looking girl, who happens to be a sophmore and not too smart in the brain. I won't mention her name, but her initials are A.I. or something like that and I also leave her all of my SMARTS!! that's about all I have to leave to anyone.

Craig Veiga

I, LES WARE, being of medium body and abused mind, will to the underclassmen the ability to stick it out for 4 years so they can become big bad seniors like we are. To Dave Dillon I will the ability to have his car in top condition next time we go to the movies. To Pete I will the ability to keep this truck longer than he had his blue one, and to Vicky and Kevin I leave the ability to have fun in their high school years. I'd like to thank Mr. Anderson for all the stuff he has put up with from me. Last, but not least, I'd like to thank my parents for helping me through school, supporting me in everything I've done, and doing my chores when I was on an FFA or basketball trip. Thank you mom and dad!

Les Ware

I, KIM WATSON, leave to all of my lower classmates the knowledge that no matter how much you hate school, don't quit because you need that diploma to get a good job and make it in this world. I know that it isn't easy because I went through it the hard way and I went through school on my own without much help from my parents. GRADUATE for yourself and not for anyone else, because you're going to need it!

HOLD ON TO THE MOMENT

Single file and yet together,
We have shared our greatest days.
And we carry common memories
In different ways.

I want to cry,
I want to shout...
I want to let this feeling out.

Hold on to the moment,
Let the feelings show,
Hold on to the moment,
ever let it go.

I can picture us together
With my arms around my friends.
Just let me hold on to this moment,
Before it ends,
There was laughter. There were tears,
Through the dozen golden years.
